Matt's new e-mail address:

For those of you who would like to contact Matt, his new e-mail address is:
spencer.matt.22@gmail.com
I know he would like to hear from everyone!!!!

Coach's Corner:

Hello Everyone!!! I wanted to start by saying thank you to everyone who made our annual winter invitational a huge success. Our meet has almost doubled in size over the last two years and the quality of our meet has continued to improve. This is due to the large number of volunteers who make the meet run smoothly. Because of this, visiting coaches return and bring other teams with them. So, from the coaches and swimmers who attended, thank you for making the meet a positive experience for everyone. I would also like to commend Sarah and Jessica for the outstanding job they have done with our age group swimmers. We had 105 swimmers compete in the meet, which is 25 more swimmers than last year. More importantly, our younger swimmers competed at a very high level. A lot of swimmers surprised me with how much they had improved since our last intrasquad meet.

With that being said, it is important that as many swimmers as possible attend our championship meets. A ton of younger swimmers qualified for the Missouri Valley Division II championships in Springfield, to be held at the end of the month. If your swimmer has qualified for this meet, I would like to see them attend. The meet brings closure to the season and really sets up the swimmers to be excited about the upcoming summer season. I know I am really looking forward to the upcoming championship meets. I think a lot of younger swimmers will step up and make this team even stronger as we head into summer. Remember that everyone on this team makes it better. That is why we want the biggest team possible attending our championship meets. So keep working hard and we will see you at the pool!!!

Megan Pittman hired as new assistant coach of the Columbia Swim Club:

I would like to introduce Megan Pittman as our new assistant coach. Megan is a native of Adair, IL and has been swimming competitively for over 14 years. She competed for two years at Truman State University before transferring to the University of Massachusetts where she completed her swimming career and also competed for their varsity crew team. Her events were mainly sprint freestyle and butterfly. She has coached at two different summer camps in New Hampshire and Connecticut and also coached age group level swimmers for two years for the Amherst Tritons, a club team in Massachusetts. Last summer Megan had a great opportunity to help coach at the AFOX camps in Phoenix, AZ. Megan is currently a first year Law student at the University of Missouri and would like to go into politics or education when she is finished. Megan is VERY excited about being part of the Columbia Swim Club, so please welcome her into our family.

January Board Meeting Notes

The CSC Board met on January 11, with almost all board members present and reporting. The primary business was the final discussion of our upcoming meet. Meet directors, Peter Markie and Kathy Payne, were busy making sure that we put on another excellent swim meet. CSC has a reputation not only for efficiency, but also for hospitality and politeness—a tradition we want to continue.

Looking beyond the meet, we have a tentative date for our annual banquet: Sunday, April 17. The banquet is always a wonderful occasion, but might be even more special this year. Swimmer representative Natalie Kirchhoff is working with a committee to arrange a swim clinic the weekend of the banquet, featuring one of our US Olympic swimmers, here in Columbia. Much still remains to be settled, but we hope this happens.

Sid Silvey, fundraising chair extraordinaire, has suggested that he might be able to achieve even more working with a committee of active and energetic fundraisers. This is not a job for everyone, but if you are willing to work with Sid on this, please contact him (see contact info. later in this newsletter).

The next Board meeting is Tuesday, February 8, 7:00 at the ARC, and all of you are welcome to attend.

David Schenker
