

To Whom it May Concern

I sent out the e-mail regarding Warm-up requests!

I received the poorest response that I have ever had for a Sectional Meet!

During the Oklahoma City Meet, the Meet Director and I were questioned about teams that came in without a lane assignment and the teams who had replied were upset that their lanes were being encroached upon by those who did not respond to the Request Letter.

There are three (3) Open Lanes in the first session and the additional eight lanes in the 25 yard pool that will be available to those who did not send in a request!

Please be respectful to the other team!

Hank Enterline
Chair. CSRVIII
